Registrar: Union College

Dear Sir:

I am seeking information regarding a person whom I have reason to believe was an alumnus of Union College around the middle of the last century.

In my possession is a circular letter, printed in italic on blue paper, and entitled: "Circular To the Alumni of the Philomathean Society, Union College."

It is dated from Philomathean Hall, Union College, October 16, 1848. It is signed by "John C. Wright," "Archibald L. Linn," and "Thomas Palmer," who

The circular we have described leads me to believe that Stephen Schuyler was a graduate of Union College.

I would appreciate any confirmation of this that your office could furnish, together with the dates of entrance and graduation of the said Stephen Schuyler. Any data regarding his activities at the college would likewise be gratefully welcome.

In the sincere hope that Union College will furnish the key to the information of which I am in need, I remain,

Respectfully yours,

James Blake

from the "Committee from Alumni." It is also signed by "Amasa M<sup>c</sup> Loy," "Samuel Chapman," and "Charles S. Vickers," the "Committee from Active Members."

The person on whom I am interested is the recipient of the above-described circular - Stephen Schuyler, Esquire, of Rhinebeck, Dutchess County, New York.

The reason for my interest is that I also have a letter from a relative of his, dated May 6, 1831, and in which a description of the city of Cincinnati is set forth. My interest is of a historical nature, and, if possible, I would like make known this letter together with additional information regarding its recipient.

My dear Mr. Blake:

In re: your inquiry concerning Stephen Schuyler.

Stephen Schuyler entered Union in Sept. 1816 from Rhinebeck, N.Y., and stayed until July 1816. He was not graduated.

A catalogue of the members of Philomathean Society, printed in 1820, includes his name. Philomathean was a literary society founded at Union College in 1795.

An inquiry made in 1931 to Rhinebeck Cemetery Association, received this reply:

"There was a Stephen Schuyler, a member of the Schuyler family of Rhinebeck, who became a Methodist minister. He was born April 18, 1801, died Nov. 1, 1859, and is buried in our local cemetery."

This is all the information we have; and if you have any more, we should be very glad to add it to our alumni files.

Sincerely yours,

Secretary to Mr. Waldron
